## About Us

Established in the year **1999** at Delhi, we, **21 Balls Academy**, are amongst the leading Manufacturers, Suppliers and Traders of highly qualitative Snooker Game Products and Accessories. We offer snooker players and aficionados excellent snooker coaching and practice facilities. Our elite and posh practice facility is not just meant for snooker professionals, but also for other players who have different standards and levels of playing. We offer all players an access to gift days and exclusive club membership which can be easily utilized and availed. Our experienced and qualified snooker coaches impart coaching in the game to the interested players at our world-class practice facility.

Our state-of-the-art practice facility is at par with the international standards and is a world apart from other facilities. Our experience in harnessing the talent of overseas players dates back to over thirteen years. World class playing facilities are provided to players in order to help them hone their playing skills. Our facility features 11 star tables that match up to the specifications of world snooker specifications.

Under the guidance and leadership of **Mr. Aashish Sehgal**, we have forged long-term relationships with our esteemed clients. By offering a high-end snooker coaching facility complete with the requisite equipments and accessories, we have created a landmark in the market. We have also been able to garner a huge clientele through...
